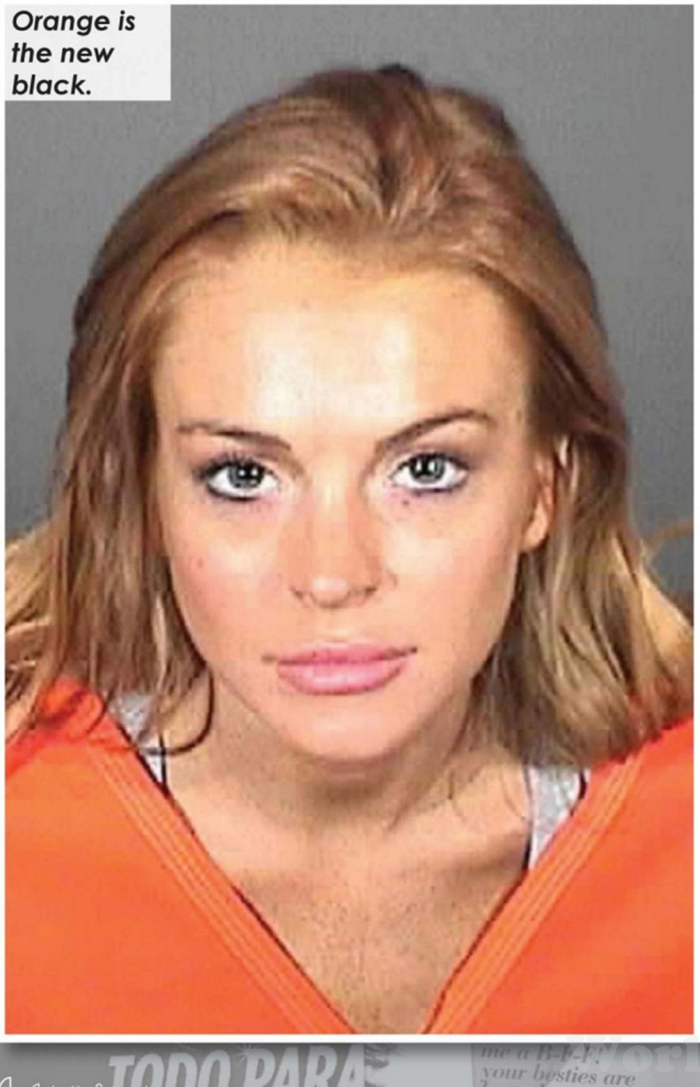
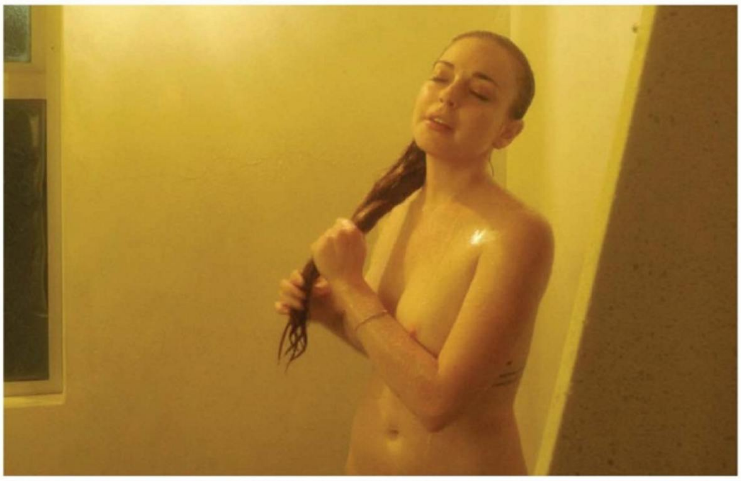
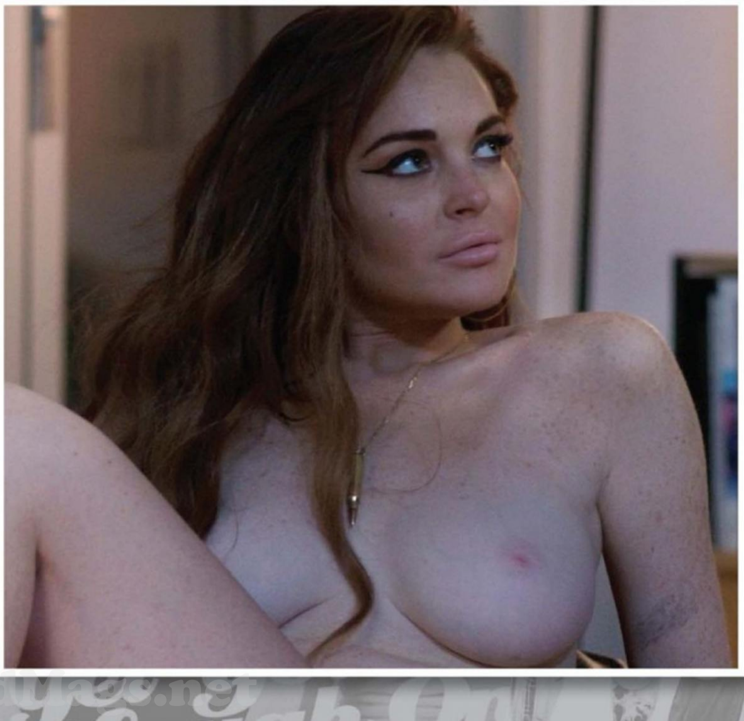
BUCKET CUNT LIST!

Lindsay Lohan was once a promising actress with several good performances behind her. Now, she's pretty much a joke and a shambles, her life powered by the fumes of noxious 'celebrity', falling in and out of cars, bars and, finally, prison. She's about to launch a new reality show and… actually, we fell asleep typing that last sentence. But, fair play to her, she's pretty sexy, and has used that sexuality to bed many of the great and good. Claims came to light recently that, during a somewhat tipsy lunch, she wrote a list of 36 people she'd slept with. It's reported the list included Justin Timberlake, Joaquin Phoenix, Heath Ledger, Adam Levine, Zac Efron and Colin Farrell. At the rate she's going she might have to trade in her little black book for something more the size of the *This Is Your Life* book…



Orange is the new black.





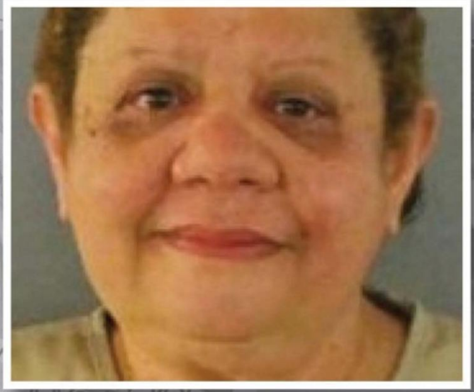
HERE'S JOHNNY!

There are some celebrity sex tapes we like, some we wish existed (we'd love to see Heather Graham doing actual sex – who wouldn't?) and some we'll never unsee. But when it comes to sex tapes we're baffled by the existence of and don't want to see at all – well, the news that one of US chat show legend Johnny Carson is being touted for sale is right at the top of that list. The tape of the much-loved Carson apparently shows him with a female – and also without – and he's reportedly blessed in the tackle department. Not that that does it for us! The seller, however, is refusing to sell to any porn companies that might want to profit from it. Instead, they'll only sell to someone who signs a document agreeing the film cannot be sold commercially. Integrity? Or just sparing us an unpleasant viewing experience?

We hope he wore a Johnny!

FUCK THE POLICE!

The police are there to protect and serve. But that service only goes so far, as Maria Montenez-Colon of Punta Gorda found out when she called 911 and asked for a policeman to help her get a Corvette back from her step-son. The drunk Montenez-Colon started telling the officer who responded that he was sexy, then said, "I haven't been penetrated in years… I am so horny." After the officer left, she called the police again, complaining to another policeman that the first officer was, "A perfect gentleman, but I asked him to fuck me, he turned me down so that made me angry." The 58-year-old was arrested for misusing 911 – jail is the perfect place to get penetrated, like it or not…



FACEFUCK!

We've covered the genius of criminals using Facebook before, and yet another very clever person has managed to implicate himself in a series of crimes with a selfie he posted to his profile. Jules Bahler is suspected of robbing two banks in Pontiac, Michigan in late February and early March, making off with over $8000. He allegedly then took $7000 from a branch of Chemical Bank in Bay City. Caught on camera by surveillance cameras, Bahler didn't help himself by posting the offending selfie to his Facebook profile on 5th March – holding a submachine gun similar to the one used in the robberies, and pretty much the same clothes. Status update: Probably going to prison for a long time.

Top 10 TV crushes from the 90s

The 1990s were great for many things: BritPop, The Hacienda and the following babes on our tele boxes. We certainly had more than square eyes after watching these shows…

10) Ashley Banks from The Fresh Prince of Bel-Air – She only got sexy after that storyline about becoming a pop star. Cue the crop tops and what we'd previously been missin'.

9) Lois Lane from The New Adventures Of Superman – Teri Hatcher played the sexiest version of Lois Lane. Ever.

8) Joey from Dawson's Creek – Joey was a bit whiny, but she was also super cute and not afraid to climb through a boys' bedroom window of an evening.

7) Flick from Neighbours – We've got something she can Kiss, Kiss… ahem.

6) Rachel from Friends – She was the hottest out of all of them and you couldn't avoid the show, so if you had to choose one…

5) Lani McKenzie from Baywatch – Carmen Electra. In a red bathing suit. You just would.

4) Nelle Porter from Ally McBeal – A hot blonde city lawyer that likes a bit of geek, is a kinky minx and a little bit intimidating but in a sexy way? Yes please.

3) Buffy from Buffy The Vampire Slayer – Essentially, Buffy is a character that likes to play with wood in the dark.

2) Kelly from Saved By The Bell – *Grange Hill* had no one that could rival the hotness of Kelly Kapowski. Oh how we wished we went to an all-American high school!

1) C.J. Parker from Baywatch – How could it be anyone else? We spent a lot of time watching *Baywatch* because of Pamela Anderson. The #1 90s pin up, no contest.

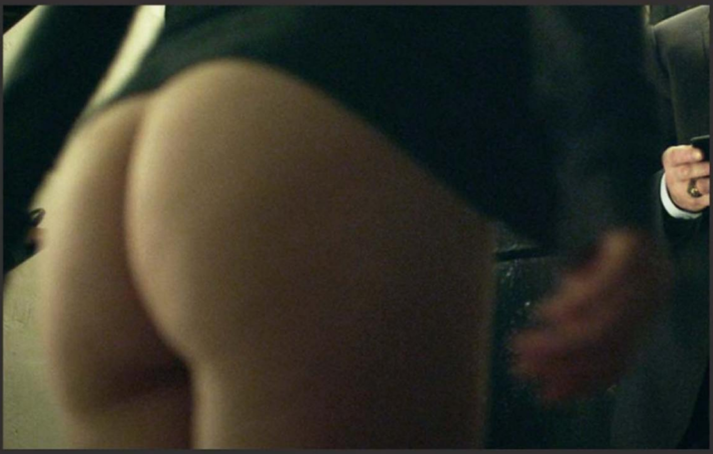
House of HARDS

A show about political chicanery and skullduggery in Washington, DC, isn't our idea of a go-to programme for boobs and bums. But Netflix's superb Kevin Spacey-starring *House of Cards* isn't shy with the skin. While the gorgeous Kate Mara has given us ony the briefest of glimpses at her private bits, there's been better flashing from Kristen Connolly, Hazel Honeysuckle and Rachel Brosnahan. Vote with your dicks...



Candy & Alex

We've been fortunate enogh to see both Cindy and Alex do some very naughty things in some very naughty films. But nothing prepared us for what they get up to in the flesh. We're not a shy and retiring bunch, but even we were a bit shocked. How would you best describe it? That's it: very naughty...

Lolly

Give Lolly Badcock a camera and what you don't get is a bunch of still-lifes and close-ups of spring in bloom. Nope, what you get is a load of selfies of her juicy pussy, suckable tits and oh-so-fuckable bottom. Thank fuck for digital cameras, we'd hate to try and get these processed at Boots...

Interview

JENNA-TALIA!

Jenna Presley (no relation) talks dick size, eels and her dream of getting fucked in the Statue of Liberty…

With over 250 movies and three award nominations under her belt, sizzling Jenna Presley is one of the hottest bods in the American adult industry. Having worked with pretty much anyone who's anyone in porn, she also appeared in the second series of Ms. Jameson's *Jenna's American Sex Star* in 2006, finishing as runner-up to Britain's own Roxy Jezel. Although she announced in October 2007 that she was no longer going to work with men, only women, she has continued sucking and fucking cocks, much to our relief. Whether it's facials, squirting, deepthroating or just taking on someone that bit too big for a bit too long, Jenna Presley proves time and time again that she is one filthy minx…

What are your statistics?
Presley: I'm 5 feet 1 inch, almost. I have brown hair, green eyes, and I'm 32D, 22, 30.

Natural boobs?
Presley: No. I have wanted a boob job since I was in third grade because all the women in my family have them. I had them done from a B cup to a D in June 2008, so I'm now 32D.

How long have you been in the business?
Presley: Since September 2005.

How did you get into the business?
Presley: I started stripping way back when I was 15. I began stripping in Mexico. I was a dirty little girl. I grew up in San Diego and I would go to Tijuana with friends to party. I could get into clubs, I'd just take my high school ID because it doesn't show your age on it. In Mexico, they don't really check. Then one night I happened to walk into a strip club. I was really drunk and went in and took my clothes off and made a lot of money, so I started doing it. It was full of barely legal kids dancing. I shouldn't have been there. I'm lucky I'm here today, you know? Bad things could have happened.

I did that in high school, then I transferred to college in Santa Barbara. I was working in telemarketing, but I wasn't making enough money. I was working too many hours. So I started stripping again, in Santa Barbara at Spearmint Rhino. I was making $400-$500 a night. I was stripping there when Lenny and Phil, who are owners of Astrux, came in. They were visiting a friend and they just happened to go to the club. They saw me and said we produce and direct romance movies. I said give me some movies. ***Anal Princess Diaries***. Romance, huh? I was in L.A. the next day by coincidence so I called them up and I went over, and this tape was playing in one of the rooms and the girl was screaming, "Fuck me! Fuck me!" I looked at them and said, I told you, you guys make porn. They said, are you interested? I said, Heck, yeah, this looks like fun. I never even considered it before. I was like, yeah, I get paid to do what I do in college for fun. Anyway, they introduced me to Derek Hay at L.A Models agency, and I signed up with him.

Did you watch porn before you got involved in it?
Presley: I watched it a few times and it grossed me out, to be honest. I was young. I wasn't comfortable with my sexuality then. But softcore, I loved it. I used to masturbate all the time. But I never considered it as a job at all. I was studying broadcast journalism. I wanted to be an anchor woman. I did think about being a glamour model. All through seventh grade I wanted to be a ***Playboy*** model.

What was your first scene?
Presley: My first scene was in something called ***Blazed and Confused***, directed by Penny Flame for Shane's World. It was a stoner movie. I don't smoke weed, so they bought me these little cookies. It was a boy/girl and I gave a random high school dropout guy a handjob. The boy I did, it was his first scene in the business.

What kind of sexual acts and positions do you like?
Presley: I do boy/girl, girl/girl, boy/boy/girl/girl. As many guys or girls, it's not a problem. I swallow, but oral doesn't do anything for me. I like to feel penetration. I like the way a cock feels deep inside of me.

I love dirty talk. I love the words skank, tramp, whore, slut. I love to be called those things during sex, when a guy is really fucking me. It turns me on so much. I like to say those words, too. I'm just a dirty talker by nature.

Do you like girls?
Presley: I love girls. I've been doing girls for years. One of my first sexual experiences with a girl was when I was 15. It was right before my first hetero sex experience. I had a great time a few months ago with a girl who's in the industry as well. It ended up in a threesome, the two of us and another guy. I want to do more of that.

What won't you do?
Presley: I don't do anal. I don't do creampies. I've done one creampie, and that's it. That was for Ricky D. It was called ***Incummers***.

What position do you like most?
Presley: It depends on the size of the guy's cock. If it's too big, I definitely don't like doggie. Doggie and missionary are good for guys with smaller cocks. Spoons is good for guys with big dicks.

Do you ever get injured?
Presley: Never. My pussy is like leather. I never get hurt.

Is cock size important?
Presley: It's not really the size, honestly. It really, really is the way you work it. But I do love big cocks. I love them all. If you're into a guy, it doesn't matter how small his dick is, because you'll learn to enjoy it. It's the connection. If you're having sex and you're close to the person, you get so horny, your pussy tightens up and you can feel the cock. It doesn't matter what size it is. The guy I'm with right now has a very small cock!

Do you masturbate?
Presley: I love masturbating. I have this toy called the Magic Wand. I cum every time I use it. Not just once. Multiple orgasms. I love it! It's a huge clit massager. Don't even think of buying one of these for your girlfriend or wife. You'll be dating your hand for the rest of your life! Also, I love dildos that flop around, that are squishy and bendable. Big floppy things, like eels. I sound like I should do German porn, right? I use those kind at home when I want to gush. They really hit the spot. They're great! The dildos, I mean. Not eels.

What is your favourite way to masturbate?
Presley: I'm a total tease. My favourite is when I'm in the passenger seat and my boyfriend is driving and I lift my skirt or pull my jeans down and spread my legs and rub until I cum. I love it because he gets all horny, but he can't do anything about it. It's actually kind of mean, but so funny. I guess you can say I'm a mega-tease. But only when I can be. At home, no teasing. I like to get fucked. I like long, slow fuck sessions. Lots of foreplay, then fucking in all the positions, everything from slow and sexy to hard and pounding, and as often as he can get it up.

You've done a few squirting releases over the years. When did you learn to gush?
Presley: I only learned how to squirt in the biz. There's a gland that you've got to find. It's that gland that does it. Once you work it a few times, it weakens, so every time a cock hits it, you want to cum. Every one can do it. It's just very hard to find it. You use your middle and ring finger and curve it up inside you. You'll feel a spongy thing. It feels different from the rest of your pussy. Some girls don't have long enough fingers, so their husband or boyfriend or girlfriend can do it. It took me three times. Once I was able to cum three times purposely, now I can do it whenever I want. Any girl can.

What do you love and hate about the porn industry?
Presley: I love the money and the sex and I hate when I'm booked with complete perverts who are groping you throughout the scene, or, when you are booked for a BJ scene, they ask, *'Can I put it in you?'* Yeah, pay me.

What's the wildest sex you've had on camera?
Presley: Hmmm… Well, I don't know if you would call it 'wild' or just nasty, but once I didn't realise this girl was bleeding out her arse… So I sucked this guy's cock and there was blood all over it. Yuck!

What's it like trying to date and have relationships while you're working in porn?
Presley: It's horrible. Nobody wants to date me. They just want to fuck me. I don't have sex in my personal life unless the guy will date me. People see me, even friends from high school, they come to visit me and try to get laid. *'Excuse me, we're friends. We're not fuck-buddies.'*

Have any of your fans turned into friends? Would you date a fan?
Presley: No and no. I don't meet anyone over the internet. I tried to once, but this guy told me he was an agent in the mainstream and he turned out to be my biggest stalker. I try to stay with guys who are familiar with the industry, guys who understand that this is just a job and I'm not attracted to any of the guys I work with. I was dating a guy who was talent. That didn't last too long.

Do you have any fantasies you haven't lived out yet?
Presley: I want to get fucked in the Statue of Liberty!

Why?
Presley: The Statue of Liberty is such a public place and it's one of the best known monuments in the world. It's always crowded with people. I get off on people watching me get off. I love sex and I love being watched during sex. ●

Lili SIMMONS

Californian cutie Lili is relatively new to TV, but what a splash she's made. Most of her huge body of nude work is in one series alone – *Banshee*. That got her noticed, and now she's riding dick with her top twats out in HBO's stunningly good *True Detective*. It might not be an Oscar nomination, but it's definitely progress...

FAKING it!

In our dreams, this is exactly what our favourite celebs would look like naked. But of course that's all that these photos are, impure figments of our imagination. It doesn't hurt to look though, does it?

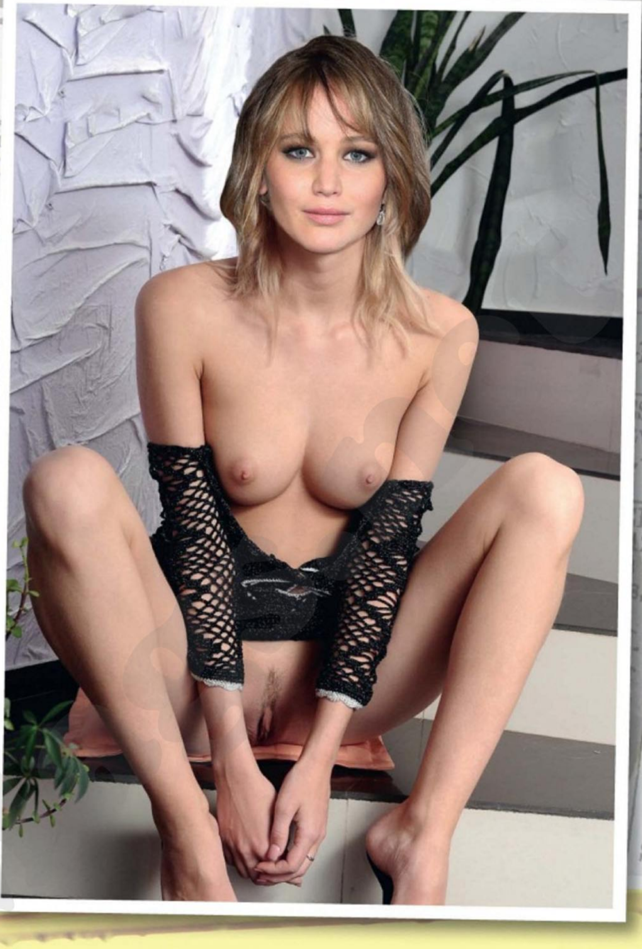
FAKING it! STAR of the MONTH...

Jennifer Lawrence



THREE'S company

Hi boys. Hope you like my pictures in this month's *Adult Sport*. I had a lot of fun taking them, but I'm a little bit upset that you don't get to see the behind-the-scenes shots that go with them. I'm not sure what the law is regarding hardcore pictures of girls with spunk all over their tits in magazines in the UK though, so maybe it's best that you can't!

So anyway, I turn up at the studio for the shoot and for me it's just another day of modelling. I've been in the business for over three years now, so I barely think about it when I go to shoots. When I started out I was so nervous all the time, the photographer would have to hold the camera extra still or I'd be blurry in all the pictures, I would shake so much! It took a good year or so to get used to the experience of being photographed naked by a stranger, and I never used to be able to look at the pictures of myself in the magazines – I was far too embarrassed.

These days, though, I always buy the magazines that I appear in. I sometimes masturbate to the pictures of me naked too – is that weird? I guess I just find it very sexy to know other people are playing with themselves whilst they look at me, and that gets me going. I've already made myself cum a few times looking at these pictures of me in the shower, but that's more because of what happened on the shoot – and let me tell you, I needed a shower again directly afterwards!

So I turned up, like I said, and got down to business straight away. The photographer was a guy I'd worked with before, and he'd always been very professional on set. I remember once giving him a blowjob in a taxi, but I'd never got up to anything saucy with him on shoots – he was always too obsessed with getting the pictures just right.

I undressed and started playing with my boobs, putting myself in all the poses I know you guys like, and could feel my pussy getting wet as I pictured all the hard cocks of readers like you looking at my pictures. I slid a hand between my thighs and felt the wetness on my fingers as I pulled my lingerie to one side and opened my pussy lips to the camera. The snapper, Mike, carried on professionally as I bared all, and slowly slid my fingers inside my wet pussy. I like to try and bring myself off on photo-shoots these days, although it sometimes annoys the photographers as they need you to stay pretty still for their shots. But I carried on, working myself up and flicking my clit while he stood over me and took his photos.

Now, when I say I once gave Mike a blowjob in a taxi, I have to admit I felt a little bit bad about it because I'm actually good friends with his wife, Claire. I think he felt bad about it at the time, because he didn't book me for a good year after that, and we didn't see each other or speak to each other. I guess he felt bad and wanted to pretend it hadn't happened.

Claire is a gorgeous girl, and ex-model herself, and I wasn't expecting her to turn up at the studio when we were shooting, but as I lay there on the floor of the shower making myself orgasm, she came through the door carrying a load of camera equipment.

Turns out Claire had been working as Mike's camera assistant this last year or so, and helped him on most of his shoots. I felt a bit embarrassed about making myself cum in front of her husband, but it was too late to stop by the time she walked up to us. I was red-faced and shuddering as she came up and said hello, and she gave me a cheeky

Domenica

wink. I'd missed hanging out with Claire – always a good laugh, and very sexy, with her long, blonde hair and pert body.

I mumbled my hello back to her and Mike gave her a kiss on the cheek, then turned his camera back to me. I got onto all fours and stuck my arse in the air, looking at them both over my shoulder. Mike started taking photos but Claire just stood there in her tight jeans and T-shirt, staring at my wet pussy and my bum. I made eye contact with her and realised that she was gagging for it, so I smiled and said, "Lick me."

Claire didn't need asking twice. She got on all fours behind me and buried her mouth in my snatch. I could feel her nose rubbing against my (very clean, I might add) bumhole as she forced her tongue into my pussy, her hands grabbing my arse cheeks and pulling them apart. Mike kept taking photos but it wasn't long before his camera was in one hand and his cock was in the other, tugging away at the sight of his wife eating out his model.

I decided I wanted a taste of Claire's cunt, having never worked with her when she was modelling herself. I pulled away and turned to face her in the shower, then quickly undressed her, freeing her gorgeous round tits and pulling her jeans down over her slim, tanned thighs. She was wearing white cotton knickers and looked so sexy kneeling in front of me wearing them and nothing else. Rather than pull them down, I yanked the gusset to one side and pushed her back so I could properly bury my head between her legs. Her pussy was already dripping wet with the anticipation of what I was going to do to her, so I put two fingers inside and started licking madly at her hard clit, working her into a frenzy.

In the meantime, Mike was working into a bit of a frenzy himself. The sight of me giving his wife oral sex was possibly just a bit too much to bear, and he lost control of his wanking and started to cum, groaning loudly as he sprayed Claire and I with wads of thick spunk (I suddenly had a flashback to the time I tried to drink his load back in the cab, remembering he produced a lot of the stuff!)

That turned Claire on even more – she started bucking her hips there and then, and I focused my efforts on bringing her off while Mike started taking photos again of his spunk-covered wife getting eaten out by a spunk-covered model. I had a pretty strong feeling these shots wouldn't be making it into *Adult Sport*, more's the pity!

As Claire came, I felt my mouth fill with her hot juice, and as soon as the waves of her orgasm subsided, she picked herself up, swapped positions with me so that I was lying flat on my back, and proceeded to do the same in return, greedily sucking on my cunt and putting her fingers inside me. Needless to say, it wasn't long before we were both getting a spunk-shower again, and I think there might have been two more by the end of the afternoon.

Either way, I got through a lot of shampoo getting it all out of my hair once the three of us were done! Wish you could have seen the photos, but I guess you'll have to imagine them…

If there was any good to Karen Gillan's wonderful Amy Pond being written out of *Doctor Who*, it was the hope that she'd go on to do bigger and better things, most preferably with her clothes off. Well, *Not Another Happy Ending* most certainly isn't better than *Doctor Who*, but as we see Karen's bum in it, we'll be buying ten copies!

Anna Malle – whose name is one of the more tolerable porn puns – died in a car accident in Las Vegas in 2006. She was a sad loss to the industry, and was only a year into her retirement after twelve years in the adult film business.

One of the most intense performers on the circuit, Anna was an expert at oral sex, a fine magazine model, happy to do anal and DPs but also brilliant in her lesbian performances. Industry legend Nina Hartley referred to Anna as her 'perfect partner' as they'd shared so many scenes together, and Anna also frequently performed with her husband, Hank Armstrong. With over 350 classic scenes to choose from, familiarising yourself with Anna is a big task – and a very, very pleasurable one. RIP.

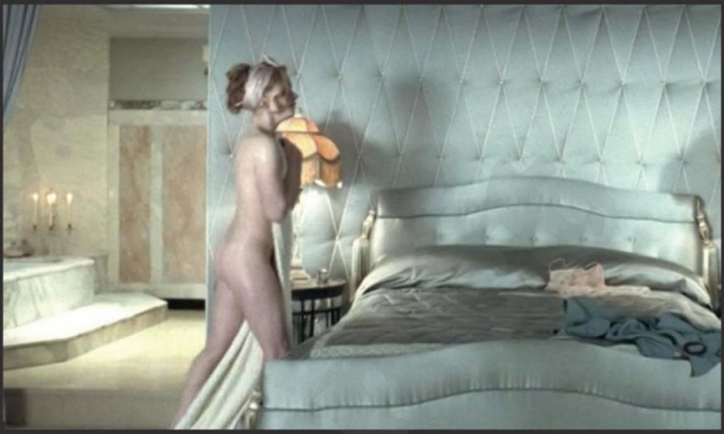
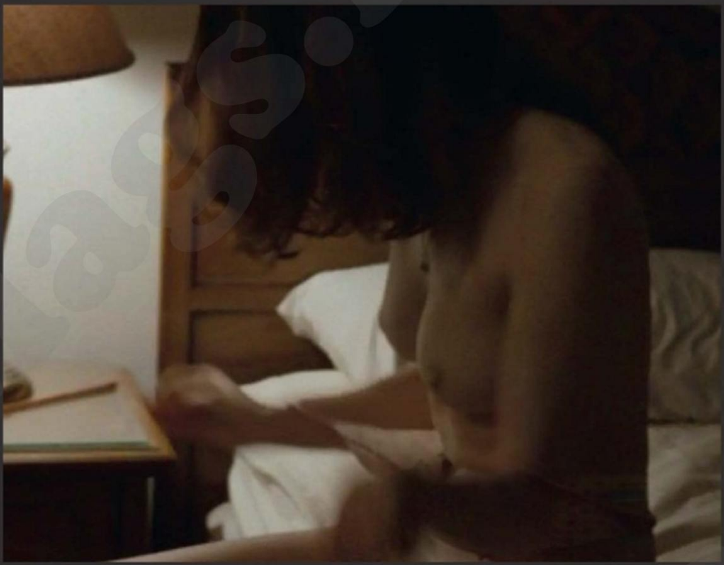
Amy ADAMS

Amy Adams is a knockout actress, but any red-blooded male who saw *American Hustle* would have been praying for that sexy dress to fall open a bit more. Well, flesh fans, get over to 2000's *Psycho Beach Party* or 2008's *Sunshine Cleaning* if you want to see a bit more of Amy's American bushel...





The Beautiful Game

SEX: ALL IN THE NAME OF SCIENCE

Being a guinea pig in any of these experiments wouldn't be a bad thing! *by Rose Crompton*

Being big fans of the recent *Masters Of Sex* series, which put the scientific work of Masters and Johnson into an entertaining and sexy package, we felt inspired to find out what more recent discoveries the boffins in lab coats have unveiled about sex, orgasms and its effect on our lives.

Experiment #1 - Wet Kisses

Theory & Evidence: Sloppy, wet, full of tongue kisses could be a way to raise a woman's sexual interest. In 2009 anthropologist Helen Fisher from Rutgers University explained at the American Association for the Advancement of Science that there's evidence suggesting saliva contains traces of testosterone. This is known to increase sex drive in both men and women. Wet kisses may be a bloke's way of trying to transfer as much testosterone as possible from his to her mouth and raise her interest in having sex.

Result for your sex life: There's no need to go caveman with this by trying to eat her face, or spit in her mouth (yuck), but sexy kissing to lead to foreplay is a good way to get both of you in the mood.

Experiment #2 - Healthy Ticker

Theory & Evidence: We've all had a chuckle at the idea of if there was a 'good way to go', then mid-fuck would definitely be up there, but boffins from Queen's University in Belfast wanted to find out if there was actually a link between sex and death. They questioned whether shooting your load more or less often could make you live longer or whether too much puts a strain on the heart. The study tracked 1,000 men from South Wales aged 45-59, for a decade. Surprisingly, at the end of the research they found that those guys that jizzed more had a 50 percent lower mortality risk than those that had a lower number of orgasms.

A follow up study in 2001 took the conclusions a step further, to prove one way or another whether sex could be good for your heart. Their findings revealed that by getting your end away three times a week, it could cut the risk of heart failure or suffering a stroke by half.

Result for your sex life: Finally, actual proof that sex is healthy! Cum until the cows come home and know that you might be doing your heart a favour in the long run.

Experiment #3 – Big Clit

Theory & Evidence: Do you know where the clitoris is? Yeah, we thought we did too, but apparently the clit wasn't actually discovered until 2009! Thinking they'd discovered all there was to know about the clit – that it's sole purpose is for female sexual pleasure and it increases in size when stimulated – scientific folk didn't give it much more thought. That was until French researchers Dr. Odile Buisson and Dr. Pierre Foldès spent three years self-funding a study to capture a world first: a complete 3-D sonography of the stimulated clitoris. They found it's considerably bigger than first expected and, as the clit swells, it actually surrounds the vagina internally, so what was once considered to be a vag orgasm during sex, is actually an internal clit orgasm.

Result for your sex life: Don't ignore the clit as we know it, but if she complains you don't play with it enough during sex, you can now correct her. The science will back you up!

Experiment #4 – Sex Noise

Theory & Evidence: The myth about the stronger the orgasm, the more noise she makes was blown out of the water in a 2010 thanks to a study looking into when women make the most noise during sex. Turns out, she's more likely to do it when you're close to cumming, to up your pleasure. How helpful of her!

The research by Gayle Brewer and Colin Hendrie from the University of Central Lancashire studied 71 straight women and found that most of them orgasmed during oral sex or stimulation of the clit, but this was not when she made the most noise. Rather, she would pant and moan and scream more during penetrative sex, just before the bloke came. In turn, this led the researchers to conclude that women would use vocalisation to 'manipulate male behaviour to their advantage'.

Result for your sex life: Having a real-life porn sound track to get you there may be no bad thing. However, for marathon sessions when you want to go like a stud, perhaps using a gag would be in order?

Experiment #5 – Stage Fright

Theory & Evidence: One way to keep your nerves in check before having to make a speech is to have a bloody good shag beforehand. In 2006, *New Scientist* Magazine explored a theory presented by psychologist Stuart Brody. He asked 24 women and 22 men to keep a diary for a fortnight on their activities between the sheets and then put them in a stressful situation the following day, which involved public speaking and performing mental arithmetic out loud. Brody found that different types of sex had different effects on stress levels: those that had penetrative sex were less stressed than those that had knocked one out solo, for example. Those that didn't have to perform any sort of sexual activity before the talk were found to have the highest blood pressure.

Result for your sex life: If the pressure is on at work, getting your partner to help you ease the tension has just become a legitimate request.

Paz de la HUERTA

Good grief – is this girl capable of actually keeping any clothes on? This Nude Yorker spent much of *Boardwalk Empire* walking around in the altogether, and she's bollock naked in many of her films. And now she's at it again in the otherwise awful *Nurse 3D*. With a knockout body from top to bottom, we're praying for a Paz dispenser. Sorry...

Onset

DORM TO BE WILD!

Young Harlots: Girls Dorm

Starring
Lexi Lowe, Samantha Bentley, Lola, Charlize Tinkerbell, Tiffany Doll,
Georgie Lyall, Ava Dalush, Marina V

Directed By
Gazzman

Available From
Harmony

Eagle-eyed readers may have noticed that the cast of this month's *Young Harlots* extravaganza is remarkably similar to that of last month's. In fact, there are six of the same students back for more, with Marina V and Ava Dalush added to the mix, and all the boys told to go home. Which makes *Adult Sport*, crew aside, the only bloke around.

Of course, in our fantasies that would lead to Sam Bentley and Lexi Lowe, mid-scene, casting around for some cock and their eyes alighting on your humble scribe, who boldly steps into the fray and kicks their back doors in for the next 80 minutes. The reality is we hide in the corner hiding our straining bonk-on as the two aforementioned babes get involved in a wild foursome with Georgie and Charlize that is the centre-piece of yet another cracking entry in this solid series.

We also get to eavesdrop on two Ava Dalush scenes as she swaps spit and pussy juice with first Tiffany Doll and later Georgie Lyall. Marina V and Lola share an all-Euro scene and there's a wild threeway with Tiffany, Marina and Charlize before the aforementioned grand finale.

For once, it's a real pleasure to have our view of all this prime pussy and bouncing boobage unobscured by some bloke with a cock that gives us an inferiority complex. A fuckload of girls and just *Adult Sport* along for the ride? We could get used to this…

Hello, men of Britain. We are here to fix everything you've broken while you stare at our lovely women...

POLES APART!

Adult Sport casts its net wider than ever to bring you the finest screen sorts from all over the world. This month we travel to Poland – stitched up by Germany and the Soviet Union, but now excellent at plumbing and general household maintenance…

Izabella Scorupco
Petri tårar (1995)
ABYS

IZABELLA SCORUPCO

Hailing from Bialystok, the beautiful Izabella actually grew up in Sweden, and her looks seem to be a beguiling mix of the two countries. Hot enough to be cast as a Bond girl – she was Natalya Simonova in *GoldenEye* – Scorupco's post-Bond career hasn't exactly been A-list all the way: *Exorcist, The Beginning*, anyone? But this matters not, because she unveiled some of the best boobs ever seen in 1995's *Petri Tarar* and gave us an encore in *Ogniem I Mieczem*. Of course you've seen them…

INGRID PITT

Born Ingoushka Petrov in Warsaw in 1937, Ingrid Pitt survived a concentration camp in World War Two to become an iconic star, largely for Hammer films. While her acting career takes in *Doctor Zhivago* and *Doctor Who*, it was in the likes of *Countess Dracula* and *The Vampire Lovers* that she found fame in the 1970's. It was also in the latter two that she showed the most flesh, along with a nude cameo in the classic *The Wicker Man*. The less said about *Wild Geese II* the better…

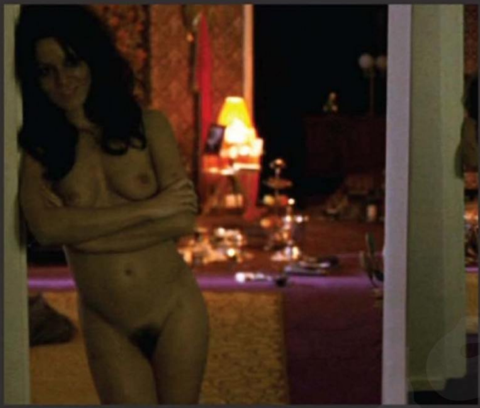
World of Sort

JOANNA PACULA

A very fine thespian, Joanna Pacula was born in Tomaszow Lubelski, but moved to America to pursue an acting career. And it paid off, with roles in *Gorky Park*, *Tombstone* and, er, *E.A.R.T.H. Force*. But where can we see her phwoar-saws? Good question. Well, you can see them in *Gorky Park*, 1988's *The Kiss* and at great length in the 1992 kink-fest *Husbands and Lovers*. Oh, and in some other films as well. She really did get her boobs out an awful lot.

KAROLINA WYDRA

Currently turning heads as the beautiful, scheming Mara in the brilliant *Justified*, Karolina Wydra has been looking like the fittest Polish woman ever in a slew of American TV for a few years. The girl from Opole who makes us grab our poles, she started out as a model (no kidding) and is best known for cropping up with a very lucky Hugh Laurie in *House*. She reserved her only nude role for HBO's blood-sucking series *True Blood*, before that started to, er, suck.



NATALIA AVELON

An actress and singer from Wroclaw but who grew up in Germany, Natalia Avelon is one sexy Polack, giving us a look at her pierogis in US TV show *Strike Back* (based on some Chris Ryan rubbish) and then in *Eight Miles High*. She sang a cover of the Nancy Sinatra and Lee Hazelwood song *Summer Wine*, complete with a music video that saw her air her boobs, bum and bush with astonishing regularity. Not likely to be seen on ITV's *The Chart Show*, then...

Eva
MENDES

Floridian Fox Eva Mendes hasn't done as much nude work as we'd have liked. So when she does let us have a peek at the good stuff, we like to treasure it. So we direct you to *Training Day* (2001) and *The Spirit* (2008) for safe, sexy films. Or to *Holy Motors* for the most mental filmic experience of your life. It's all about Eva...

Poor Leigh. She's so short of clothes that whenever she fills up the washing machine she's got nothing left to wear. So, what to do while she's doing her hot wash and then waiting for stuff to dry? Well, having a long, leisurely wank session is number one on her list. But it looks like she doesn't know about sitting on it during the spin cycle...
